AHMEDABAD, GUJARAT

Technical Skills

- Data Science with Data Analysis , data visualization and statistical modeling.
- Python with Django and SQLite
- PHP
- JAVA
- Android
- DSA
- Database Management

Certificates

- Data Science & Machine Learning - Udemy.
- Fundamental of AI & Data Skills - YBI Foundation
- Python with Django - Infolabz
- DMCP(C,C++,JAVA) - C-DAC
- Basic Computer Concepts – C-DAC

Education Background

- 10TH (S.S.C):
  SHREE SARDAR PATEL & SWAMI VIVEKANAND SCHOOL | AHMEDABAD GUJARAT (GSEB)
  YEAR OF PASSING : 2020
  PERCENTAGE : 65.00%

- DIPLOMA – IT:
  RANCHHODLAL CHHOTALAL TECHNICAL INSTITUTE | AHMEDABAD GUJARAT (GTU)
  YEAR OF PASSSING : 2023
  CGPA : 8.10

- B.TECH – IT:
  INDUS INSTITUTE OF TECHNOLOGY AND ENGINEERING | AHMEDABAD GUJARAT (INDUS UNI)
  CURRENTLY STUDYING IN 7TH SEM

About Me

- Logical and organized individual with a strong foundation in software engineering.
- Excellent teamwork, interpersonal and communication skills.
- Highly skilled with data managing with predict outcomes and Visualization with statistical models.

Projects:

- Project-I Loan approval model
  Library used: Python(Numpy, Pandas, Matplotlib, Seaborn).
- Project-II Car mileage prediction based upon acceleration, weight, horse power, displacement
  Library used: Python(Numpy, Pandas, Matplotlib, Seaborn).
- Project-III Basic chat application
  Technology used: Android with Java Programming.
- Project-IV Tourist web application
  Technology used: Python(Django, SQLite), Html , java script.
- Project-V Inventory management and forecasting system
  Technology used: Python(Django, SQLite) , Statistical models that perform predictions.

Objectives

- To work efficiently in an organization where I can effectively contribute my knowledge skills for the better development of Organization.

Strength

- Good Communication skills. Focus and
- confident with Positive Attitude.
- Smart Work is also Promised.

Internship

- Fundamental AI and Data Skills- Ybi Foundation(15 days)
- Data analytics and Machine Learning- Infoalabz(15 days)
